July 2019

Thank you for sponsoring the Green Devil band program at St. Petersburg High School!

2018/2019 was a fantastic school year for the Green Devil Band program. Under our new director, Katie Aucremann, we added new programs, performed throughout our community, and saw great musical growth. We are very excited to kick off our 2019/2020 season with our Fall marching show the music from “Wicked”

This upcoming year we will continue with our after school ensembles of Marching Band, Symphonic Band, Jazz Band and String Ensemble. Returning to St. Pete High School this year for the first time in many years will be an Orchestra class during the school day! As Band Boosters, we are excited about the future of our instrument program as it continues the traditions of St. Pete High, the oldest high school in Pinellas County.

Your support is invaluable to our program. The St. Petersburg Band Boosters is a 501(c)(3) non-profit organization which supports the instrumental program at St. Pete High. Your support means we can buy music, pay for buses, pay our support staff, maintain our instruments and many other fundamental elements of our program. We see this as a direct investment in our students and we are so grateful for your partnership.

Thank you for your interest and we appreciate your support of the education and enrichment for our students. Please return our sponsor form, paper copy or online, by **August 1st** so we can ensure prompt printing of banners and t-shirts.

**SPHS Band Boosters**

**Katie Aucremann, Director**
